---

Key word: official reconciliation document

Official reconciliation document is a document which the content is a reconciliation agreement and judge verdict that evaporate the reconciliation agreement which doesn't ben to ordinary law or extra ordinary law.

Reconciliation document can be made after the conflict between two sides happened but this official reconciliation document is not always made when the conflict happened. The official reconciliation document can be made after doing many reconciliation prossess which done by mediator who impartial to every side who has legal dispute and to the case which was disputed. This process called by mediation process, mediation process is a process for finding the desirabilities among the sides/ parties who has legal dispute. If the parties who has legal dispute can tolerate the desirabikities among them, then those tolerances can be poured in agreement which be agreed by both at sides who has legal dispute voluntarity this reconciliation agreement will be a reconciliation document that has same law power like a judge verdict after legalized by involved in religion/ Islamic court.

The kind of research that used by research is empirical research with kualitative descriptive approaching. In process of collecty data, the researcher use interview method and documentation as material analyze about interview result. Researcher use interview as a primary data and material of literature publication analyzing many relevan book with main discussion as a source and secondary data then analyze it till the conclusion.

This recontiliation document has final character, banding ever parties in order to do the content at agreement that was made in a reconciliation document. The punishment for infraction that happened of this conten of reconciliation document is direct execution from ligion court. If the form of official recontiliation document as a recontiliation agreement form, than may happen many problem about one or many content of agreement later. So it be recased or be reinvestigated.
