A. Objective Description of BRI Syariah

The *profile* BRI syariah is generally as follow:

1. History
2. Vision and Mission
3. Financing Product of BRI Syariah

a. Pledged of Sharia (Gadai syariah)
b. KKB BRI Syariah iB

B. Implementation of Murabahah Bil Wakalah Financing in BRI Syariah Unit Genteng Banyuwangi

The implementation of murabahah bil wakalah agreement in BRI Syariah Unit Genteng Banyuwangi have run smoothly. This known from explanation by Mr. Bobby Hendrik as Vice Head of BRI Syariah Unit Genteng Banyuwangi that;

"Praktek Murabahah atau Murabahah Bil Wakalah tersedia di bank tapi untuk penerapannya belum ada nasabah yang menggunakan akad Murabahah, kebanyakan menggunakan akad Murabahah Bil Wakalah, dan kebanyakan disini nasabah meminta untuk modal kerja".\(^6\)

Murabahah Bil Wakalah financing on sharia banking generally is giving the right or mandate of the bank to the customer in selecting goods for working capital, investment and for consumptive, which after the delegation that there will be a sale and purchase (trading) transactions in the form of installments after the bank becomes the owner or suspension of the goods that have been chosen by the customer. This contract is combination between murabahah contract and wakalah contract. Although murabahah bil wakalah seems to be one contract, but it such contract are independent, so that this financing not include of hybrid contract\(^7\) or multiple contract that forbidden in Islam.

Implementation of Murabahah Bil-Wakalah financing in BRI Syariah Unit Genteng Banyuwangi done by the Bank fully mandated to customers for the purchase of goods by way of dropping funds in advance. This is suitable with Mr. Boby Hendrik A explanation as follow;

"BRI Syariah cabang Genteng banyuwangi memberikan kuasa sepenuhnya kepada nasabah untuk pembelian barang kebutuhan, bahan

\(^6\)Boby Hendrik A., interview (3\(^{rd}\) of November, 2014)

\(^7\)Hybrid Contract or Multiple Contract, is two contracts in one transaction.
baku atau modal kerja sesuai akad, yang tentunya setelah dana diterima (dropping dana). Untuk akad pembelian barang kebutuhan, Setelah membeli nasabah diwajibkan untuk menyerahkan bukti pembeliannya kepada Bank”.

Receipt of goods purchase is submitted to the bank as proof of purchase of an item that has been done by the customer, and signing agreements (murabahah and wakalah) done instantly in first agreement (wakalah).\textsuperscript{8} That Mr. bobby has explained before;

“Pada saat bersepakat setelah menjelaskan beberapa ketentuan dan lain-lain yg disebutkan sebelumnya, nasabah menandatangani dua perjanjian murabahah dan wakalah seketika itu, dari dasar itu, maka nanti di kreditkan sejumlah uang, dimasukkan lah uangnya, setelah uang cair, nasabah menerima uang tersebut kemudian nasabah belanja, nantinya kita (bank) minta bukti pembelian yang bisa berupa kwitansi, nota manual,entah prin outbukti transfer, tergantung, dan jumlahnya”

The provision as meant above, it is when the customers are meet some of the requirements of the law or to use the funds in the bank BRI Syariah, then after signing two finances itself in first agreement between bank and customer bank give the credit or dropping fund based on the deal, and the price of the goods.

Meanwhile, the researcher also obtained data about profile of BRI Syariah Unit Genteng Banyuwangi. BRI Syariah Unit Genteng Banyuwangi was established on 2011, and completely operating on 2012. This means that approximately 3 years BRI Syariah Unit Genteng Banyuwangi has been operated;

“untuk BRI Syariah yang berlokasi di Jl.Wahid Hasyim genteng banyuwangi ini adalah BRI Syariah pertama dan satu-satunya yang ada di kota Genteng, bank ini resmi didirikan pada tahun 2011 dan kemudian baru benar-benar beroperasi tahun 2012”

\textsuperscript{8}Boby Hendrik A., interview (Banyuwangi, 15Desember 2014).
This Sharia bank is included new bank unit which still new established or new operated, this also become one of the reasons why researchers interested to make research in this place.

C. Implementation of Murabahah Bil Wakalah Financing in BRI Syariah Unit Genteng, Banyuwangi perspective of Regulation of Bank Indonesia No. 7/46/PBI/2005

BRI Syariah Unit Genteng Banyuwangi was established on 2011, and completely operating on 2012. This means that approximately 3 years BRI Syariah Unit Genteng Banyuwangi has been operated. According to the authors, this can also be an indicator allows that the existing system of Sharia in BRI Syariah still not 100% pure to implement a principled of sharia system.

In this case also financing murabahah bil wakalah indicate as hybrid contract which is not allow in Islam, because signing of two agreements itself instantly sign in first agreement at the time of wakalah agreement or before wakalah, in this article, there is no detailed written on the arrangement of financing murabahah bil wakalah itself. As described in the hadith narrated by Ahmad and Thabrani.

“Rasulullah (SAW) prohibited two contracts in one transaction” (narrated by Ahmad dan Thabrani).9

This Hybrid or multiple contract being reason why researcher assume that murabahahbilwakalah financing in BRI Syariah Unit GentengBanyuwangi not accordance with Regulation of Bank Indonesia Article 9 point d No.7/46/PBI/2005.

From the explanation above, it can be known that the implementation of murabahah bil wakalah financing not accordance to Regulation of Bank Indonesia Article 9 point d No.7/46/PBI/2005. Because indicated as a hybrid

contract that not allow in Islam and not suitable with substance of regulation of Bank Indonesia article that mentioned “wakalah contract must be made separately from murabahah contract”. Although in its implementation the customer or the bank agrees (antaradhin) and neither party feels aggrieved both when wakalah or selling, this is still break the rules and are not careful.

Such sanction for a bank that did not carry out the provisions contained in article 2 to with article 19 Regulation of Bank Indonesia No.7/46/PBI/2005 get Administrative sanctions as referred to in article 52 Regulation number 7 year 1992 about banking as replace with Regulation number 10 year 1998 as follow
a. Reproof instructions (teguran tertulis);
b. The decreasing level of health (penurunan tingkat kesehatan;)
c. Turnover the Office-holders (penggantian pengurus)

A. Conclusion

After do some a series of activities conducted by researchers, such as research planning, conduct research, and analyze the results of the research, it can be concluded as follows:

1. Implementation of Murabahah Bil-Wakalah financing in BRI Syariah Unit Genteng Banyuwangi done by the Bank that fully mandated to customers for the purchase of goods by way of dropping funds in advance and signing murabahah and wakalah instantly at the beginning of the agreement, Then purchase the goods receipt is submitted to the bank as proof of purchase of an item that has been done by the customer.10

2. Based on research that has been researched, that the implementation of murabahahbilwakalah financing in BRI syariah Unit Genteng Banyuwangi not accordance with Regulation of Bank Indonesia article 9 point d, No.7/46/PBI/2005 about The Agreement and the Settlement Fund Raising For Banks Conducting Business Based on Sharia Principles (Akad Penghimpunan dan Penyelesaian Dana Bagi Bank yang Melaksanakan Kegiatan Usaha Berdasarkan Prinsip Syariah) Mentioned that, “The Bank

10Boby Hendrik A., wawancara (Banyuwangi, 15Desember 2014).
represents to customers (wakalah) to purchase goods, then the Murabahah Agreement must be made after the goods in principle belonging to the Bank”. In part the rest of the explanation that the regulation is mentioned wakalah contract must be made separately from murabahah contract. The following definitions shall apply in principle of goods belonging to a bank in wakalah on murabahah agreement is the existence of the flow of funds devoted their goods suppliers or proven by purchase receipts. From the explanation above, it can be known that the implementation of murabahah bil wakalah financing not accordance to Regulation of Bank Indonesia Article 9 point d No.7/46/PBI/2005. Because indicated as a hybrid contract that not allow in Islam and not suitable with substance of regulation of Bank Indonesia article that mentioned “wakalah contract must be made separately from murabahah contract”. Although in its implementation the customer or the bank agrees (antaradhin) and neither party feels aggrieved both when wakalah or selling, this is still break the rules and are not careful. But For receipt of goods purchase that submitted to the bank is legitimate or accordance with Regulation of Bank Indonesia, although researcher assume that bank is not careful and lok like do not want to be bothered with some steps which felt to be longer to implement separating wakalah and murabahah financing
