Keywords: Akad (contract), the Hajj initial deposit funds, waiting list

Hajj is a worship that is in Islam and implemented for those who are able to do so. Hajj is the fifth pillar of Islam. Among them, the implementation of the Hajj organized by the Ministry of Religion, including the Ministry of Religious Probolinggo. Regarding the initial deposit funds Hajj waiting list, the fund is given in the form of optimization by the Ministry of Religious Probolinggo.

The purpose of this study is to reveal the initial deposit funds procedure for Hajj waiting list and dig contract principles applied in the initial deposit funds for Hajj waiting list.

This type of research is empirical study using a qualitative approach juridical. Source of data used in this study published in the primary data and secondary data. Then use traditional data analysis as a result of research findings.

There are two findings in this study. First, an initial deposit of funds procedure Hajj waiting list which starts from the Hajj perform the initial deposit to the bank and then enrolled to the Ministry of Religious Probolinggo to get their share. Second, the principle of contract in the initial deposit funds Hajj waiting list is by using a *wadi'ah yaddhamanah* contract and contract Hajj.
