Currently there are many organizations that have not implemented the management of waqf management with effective and efficient in handling the management of the property (land) endowment, so that the waqf property can't be function optimally for the benefit of the people. In Malang, waqf management institutions such as KUA not implement the effective management in the management of waqf property. Number of waqf in Malang reach approximately 1,439 waqf property located in 5 districts, namely for example: in district Klojen, Lowokwaru, Blimbing, Sukun, and Kedungkandang. However, the development of waqf still not maximized. Now in Malang, the government formed Indonesian Waqf Board. Malang Indonesia Waqf Board which has been formed since the beginning of 2014 is expected to handle the problems of waqf in Malang and make a neat waqf management.

In this study, the formulation of the problem is: How is the management of waqf in the post-inaugural Malang Malang Indonesia Waqf Board ?. This type of research used in this study is an empirical research (field research). Data collection methods that researchers use is: the interview and documentation. The method of data analysis used in this study is a descriptive analysis.

The results of this study is the management of waqf in the post-inaugural Malang Indonesia Waqf Board has a positive trend although not maximized. Although the Indonesian Waqf Board Malang only formed one year ago, but the program of Malang Indonesia Waqf Board has been executed and successful, among other things: 1) Dissemination of the existence of Malang Indonesia Waqf Board itself, 2) socialization to Nazhir, 3) socialization to the management of Malang waqf institutions. Therefore the presence of Indonesian waqf Board provides opportunities for improvement Malang in waqf management for the future, especially in the problem: 1) Nazhir, Malang Indonesia waqf Board will control the period Nazhir Nazhir and forming a new board. 2) Endowments money, in this case the entire board Malang Indonesia Waqf Board has implemented cash waqf to set an example to the community in Malang.
